Report of The Forest Fire Warden

After several successive years of drought, the rains of 1967 came as a welcome change. Our record of the past fire season is good. Our thanks to all who contributed to achieve this good record. Continued improvement in the matter of accurate, prompt detection and rapid effective suppression action can help to maintain this good, worthwhile record even though we do not have an abundance of rain as in the fire season of 1967.
It will help if we follow these simple suggestions:

1. No burning of debris and waste between the hours of 9:00 A. M. and 5:00 P. M. and then only with a written permit from the Forest Fire Warden.

2. Take debris and waste to the town dump.

3. Maintain a clean, safe dump.

4. Keep matches away from young children.

5. Be sure matches and smoking material are dead out when we discard them.

6. Set a good example for others in fire prevention.

Annual Report of the Superintendent of Schools

To the Board of Education and Citizens of the Hill School District:

I herewith submit my annual report as your Superintendent of Schools.

In the fall Miss Joan Rivard replaced Miss Patricia Landry as teacher of grades one and two and the Conversational French program which is now in its third year. Mr. Richard Phelps returned this year as Principal and teacher of grades five and six. Mrs. Colby continues as our grades three and four teacher, Mrs. Martha Gilchrist as school nurse and Mr. Vincent Kondrotas in music. With two-thirds of our faculty returning and Miss Rivard now acquainted with the school and community, I feel that the education is progressing very well at Jennie Blake School.

Our educational program of modern mathematics and Conversational French are continuing.

This year we instituted a new reading system in grades one and two. This system integrates phonics into the reading text. Our Title I Developmental Reading Program is being taught again this year by Mrs. Patricia Athanas.

The budget for 1968-69 of $79,584.98 is up $10,530.26 over this years budget. An unexpected $5,553.08 in foundation aid will help to offset this increase. The major portion of the increase $5,287.00 is for increased costs of tuition. The rest of the increase $5,243.26 is distributed through all other items in the budget. It is felt the amount requested is needed for the proper operation of our school system.

I would like to express my appreciation to the Board of Education and the Citizens of Hill for their support of our educational efforts.

HERMAN N. DONEGAN
